

# PERLA

## AUDIO AND VIDEO HANDS-FREE RECEIVERS

Perla is the line of wall-mounted hands-free video and audio receivers, a real jewel of sophisticated Made in Italy design and advanced technology. Perla stands out for its personality and elegance, with its soft curving lines and the central control panel on which the functions form a perfect circle. All only 31 mm thick. In the video version the 3.5" LCD colour display and hands-free audio offers excellent audio-video quality with very low consumption. Perla is available in the Ice white and Fusion black colourways that make it suitable for any living space.

- A soft, modern look
- Excellent audio and video quality
- Blue backlighting of luminous central panel
